American Chemical Society Student Affiliates

Minutes of Meeting #2

October 11, 2007

*Time:* 5:30 p.m.

*Place:* Science 059

*Officers:* R. Chase (President), A. Melberg (Vice-President), M. Schulte (Secretary), R. Galloway (Treasurer), M. Updike (Social Coordinator), L. Rosenhein (Faculty Advisor)

*Total Members in attendance:* **23**

1. *Introduction of officers and ACS*

Amanda Melberg called the meeting to order at 5:30 pm.

2. *Dues*

Ryan Galloway brought up the issue of dues for the upcoming year. Several members have yet to pay their dues. It was voted on by members and it was decided that dues for the entire 2007-2008 year will \$7. This money will be used to fund our socials, service events, and food for future meetings. Please make Payment to Ryan or any of the other officers and we will check you off of the list.

3. *Mail list*

Michael Schulte passed around a list for members to write down their name and email address. This will be used for the officers to contact members throughout the year. If you wish to be added to the mail list you can send your name and email to [mschulte@indstate.edu](mailto:mschulte@indstate.edu).

4. *T-shirts*

A T-shirt design has been decided on. We will present the final design at our next meeting and members can sign up to order one if they like.

### 5. *Kids n' Chem*

Kids n' Chem is a community service event put on by the club each year at the Terre Haute Children's Museum. One Saturday every month members go to the museum to perform chemistry demonstrations for children. Typically this lasts from 11:00 – 2:00. The next date is Nov. 3. Peggy, Will, and Steph will have to come up with an experiment and practice it. See the officers for ideas.

### 6. *Socials*

We are looking at going to Pumpkin Works for our next social event. When a date is finalized we will send out an email. All members are welcome.
