1. *Kids & Chemistry*

The last Kids & Chemistry for the semester will be December 1 (this Saturday!). Let an officer know if you would still like to help. We will be doing two activities – cleaning pennies and making a “rainbow” with sugar water solutions of different densities. Thanks to everyone who has helped this semester, and keep in mind that we will have at least 3 Kids & Chemistry dates next semester if you haven’t been able to get involved yet! And keep in mind that we are always looking for more hands-on activities suitable for young kids.

2. *Dues*

Don’t forget to pay your dues, if you haven’t already! The money collected from dues funds food and fun at the meetings! Dues are \$7, payable to Ryan Galloway or any officer.

3. *Social Activities*

Madison is starting to plan socials for next semester – PLEASE come up with ideas and let her know! We want to do things that people will enjoy!

4. *Holiday Party!*
