

Indiana State University Chapter of the
American Chemical Society Student Affiliates

Minutes of Meeting #8

February 14, 2008

Time: 5:30 p.m.

Place: Science 022

Officers: R. Chase (President), A. Melberg (Vice-President), M. Schulte (Secretary), M. Updike (Social Coordinator), L. Rosenhein (Faculty Advisor)

Total Members in attendance: **10**

1. Kids & Chemistry

Our next Kids & Chemistry is this Saturday! We will be making Floam. So far, we have 3 people signed up, but could use 1 or 2 more. Please see an officer if you are interested so we can figure out who will be picking up supplies for the event.

2. Devaney Elementary Science Fair Outreach/Cub Scouts Outreach

The Devaney Science Fair is next week, February 21, and the Cub Scouts activity is the following week, February 25. Both events will be in the evening and will take a few hours. Thanks so much to everyone who came to the meeting on Tuesday – it was extremely productive, and we have a lot of good ideas for both events! To help with one of these activities, see an officer ASAP.

3. Relay for Life

Don't forget that the Relay for Life is coming up in April! Start getting donations from your friends and family! We will probably hold a group fundraiser after Spring Break; more details to come.

4. Social Events

We discussed some ideas for upcoming socials. Ideas brought up were bowling and another movie night. Let us know if you have any other ideas, and as soon as Madison has a final plan for the next social, we will send out an email!

The next meeting will be February 28 at 5:30 p.m.
