1. *Senior Send-Off Dinner*

The Senior Send-Off Dinner will be next Thursday, April 24. We will be meeting at Olive Garden at 6:30 p.m. If you want to carpool, meet in the ACS office no later than 6:10 p.m. The Senior Send-Off is a time to honor the graduating seniors and have one last fun time together before the semester is over. If you plan on attending this event, please let Madison know by Tuesday so she can finalize the number with Olive Garden. If you have any ideas for a game to play at dinner, let Madison know.

2. *Wabash Valley ACS Education Night*

This coming Monday, April 21, is the Wabash Valley Section of the ACS's Education Night. They will be hosting a speaker from the University of Indianapolis; her talk will be on the science of fire and explosions. Several members heard her speak at the IAS meeting and said her talk was really cool. This event will begin at 7:00 p.m. in Moench Hall on Rose-Hulman's campus. They will also be presenting outgoing ACS President Rachael Chase with the Outstanding Chemistry Senior award for ISU. Please consider attending this event, since it is targeted to undergraduates, and to support your president!

3. *Finals and Farewell*

Good luck to everyone on finals, and have a good summer! To the graduating seniors, good luck in all your endeavors, and keep in touch!
