Chem 105

Classification of Matter

- Matter
  - Heterogeneous Mixture
    - physical method
  - Homogeneous Mixture
    - physical method
  - Pure Substances
    - Compounds
      - chemical method
    - Elements
      - Atoms
        - Nucleus
          - Protons
        - Electrons
          - Neutrons
